This report covers 35 hours of patrol activities during the month of August, weather permitting. Duties performed by Town of Troy Water Patrol. From August 3<sup>rd</sup>, 2024 through August 31<sup>st</sup> 2024.

For the month of August, on Eagle Spring Lake, our patrol has had a total of 150 contacts, issued 2 citations, 5 written warnings, 8 verbal warnings and conducted 7 boat safety compliance checks. The citations are as follows: 1 citation for failure to have required fire extinguisher on board boat and 1 citation for not having a wearable PFD on person at time of boat stop. In addition we gave 5 written warnings, 1 for navigation rules, 3 for registration and numbering violations, and 1 for failure to provide proper type of PFD as required. During the patrol period, our patrol gave a total of 8 verbal warnings. Most of which were for registration violations or navigation rules, such as going the wrong direction on the lake and other related safety violations. While on patrol we assisted 2 vessels with mechanical problems and answered numerous boat related questions with the residents on and off the lake. During this reporting period, we only received 1 complaint of a PWC going the wrong direction on the lake. Unfortunately, we were not able to locate the violators in time for that complaint. This concludes the monthly report for August 2024.

Respectfully submitted,
