This report covers patrol activities, weather permitting, performed by Town of Troy Water Patrol. From July 4<sup>th</sup>, 2024 through July 28<sup>th</sup> 2024.

For the month of July, on Eagle Spring Lake, our patrol has had a total of 425 contacts, issued 3 citations, 6 written warnings, 10 verbal warnings and conducted 8 boat safety compliance checks. The citations are as follows: 2 citations for improper display of identification numbers or decal on boat and 1 citation for not having a wearable PFD on person at time of boat stop. In addition we gave 6 written warnings, 2 for navigation rules, 1 for registration and numbering violations, and 3 for other safety violations on the lake. During the patrol period, our patrol gave a total of 10 verbal warnings. Most of which were for registration violations or navigation rules such as going the wrong direction on the lake and other related safety violations. While on patrol we assisted 3 vessels with mechanical problems and answered numerous boat related questions with the residents on and off the lake. During this reporting period, we only received 1 complaint of a pontoon boat going the wrong direction on the lake. Unfortunately, we were not able to locate the violators for that complaint.

Respectfully submitted,

William Musolf
