Date/Time: Tuesday, July 16th 2024 at 6:30 PM. Eagle Town Hall

This report covers activities performed by Town of Troy Water Patrol from May 25th, 2024 through June 30th 2024.

For the months of May and June, on Eagle Spring Lake, our patrol has had a total of 390 contacts, issued 4 citations, 6 written warnings, 8 verbal warnings and conducted 10 boat safety compliance checks. The citations are as follows: 3 citations for improper display of identification numbers or decal on boat and 1 citation for navigation rules. In addition we gave 6 written warnings, 1 for navigation rules, 2 for registration and numbering violations, and 3 for other safety violations on the lake. During the patrol period, our patrol gave a total of 8 verbal warnings. Most of which were for registration violations or navigation rules such as going the wrong direction on the lake and other related safety violations. While on patrol we assisted 2 vessels with mechanical problems and answered boat related questions with the residents on and off the lake. During this reporting period, we only received 1 complaint of a PWC going the wrong direction on the lake. Unfortunately, we were not able to locate the violators for that complaint. The Fireworks on June 29th, 2024 were a success, no injuries or incidents to report for that day.

Respectfully submitted,

William Musolf
